#### **NEWS**

Many of our players have just participated and completed the first part of the Victorian Champions League as member of the Eastern Zone Rep Squad. Congratulations to all the players that made it through the trials phase to gain selection.

FFV coaching courses will be running over the summer and we will endeavour to have some run at Dorset again in 2010.

We will require all of our coaches to hold FFV coaching qualifications in 2010 so if you are considering coaching in 2010 please see if you can enrol in the courses as soon as possible if you do not currently hold recognised qualifications.

Work has commenced towards the installation of the new floodlights. These new lights will give us greater use of the ground for training purposes and potential night games.

The club was to contribute around \$16,000 towards the lighting but due to increased costs since the job was originally quoted we need to find additional funds.

You or your family may have received a letter regarding a fundraising drive towards the financing of the lights.

#### **REGISTRATION DAYS**

The registration days will be held on Friday 12<sup>th</sup> Feb and Saturday 13<sup>th</sup> Feb.

More information will be sent out soon/

#### **2010 TEAM TRIALS**

We will hold trials for some age groups in the coming weeks.

The U15 boys have held preliminary trials. There will be at least two teams again in that age group.

An informal grading session was held late in 2009 for the 2010 U14 boys.

Please keep watching the website for more information on upcoming trials.
